South Asian Menu Packages

The menus listed on the following pages were with creativity in mind. They are merely suggestions, should you have something special in mind that you do not see listed, we would be happy to design a menu specific to your function. If you like to use sample menus and alter some of the dishes, you can do so by choosing the dishes from the same category e.g. replacing Aloo Gobhi with Baigan is fine since both of them are from vegetable category and so on.

Food Tasting

Food tasting is organized at one of the Host's location (in Mississauga, Richmond Hill and Toronto) and is dependent on availability of space. The number of guests allowed is two per 100 people booking to a maximum of ten people. So for a booking of 100 its 2, 200 its 4.....500 its 10 and 500+ its 10. We would require a copy of the chosen menu at least one week prior to the tasting day.

Family Style

There will only be choice of one salad with the meal. The price is based on 8-10 guests per table.

Leftover food

When we are on location to serve food, we usually carry more than we expect to serve. (Running out is a traumatic experience!) Based on public health and safety concerns, The Host catering does not package leftover perishable foods. We trust that you will co-operate.
